

Programs Specialist

Northwest Association for Blind Athletes (NWABA) is a mission-driven, growth-oriented organization that fosters a culture of innovation, communication, collaboration and hard work to improve the quality of life for individuals who are blind and visually impaired. NWABA provides life-changing opportunities through sports and physical activity to individuals who are blind and visually impaired.

Over the last ten years, the Association has transformed from an organization serving six individuals in its first year to a national leader in the field that improves the quality of life for more than 1,500 children, youth, adults and military veterans with visual impairments annually through five innovative programs and services. This position is being added at a pivotal time in organizational growth and will support significant and sustainable expansion of NWABA's life-changing programs.
